About Guararapes-Riachuelo

Guararapes is the largest fashion group in Brazil and the parent company of the retail chain Lojas Riachuelo, one of the country's largest clothing department store chain with **339 stores** nationwide. Since it began operations, the Group has striven to supply high-quality products at affordable prices, always seeking to satisfy its customers and add value for its shareholders. One of its main differentials is the integration of its manufacturing and retail arms, a model that has proved successful worldwide, enabling Guararapes-Riachuelo to respond rapidly to changes and trends in the market and the fashion world.
